

Dear Community Partner,

We invite you to be a part of a unique culinary experience, Master Chef Prescott III. This unique multi course dinner event supports two amazing non-profit organizations in your community, Prescott Meals On Wheels and U.S.VETS Prescott.

Together, we have created a memorable event where we pair an amazing local chef, Robert Davis with Alta Visa Senior Living, along with local honorable U.S. VETS residents being retrained in the culinary arts through their culinary program. The event menu is created by Chef Robert Davis, and this year’s theme is Red, White and Local, featuring a five course meal utilizing locally sourced food along with suggested wine and beer pairings. Each course is presented by the chefs as they share their creation with new friends and supporters in the community.

All proceeds benefit two local dedicated non-profit organizations, U.S.VETS – Prescott serving homeless veterans and Prescott Meals On Wheels serving nutritional meals to elderly and/or disabled on a daily basis enabling them to live independently with safety and dignity.

United States Veterans Initiative (U.S.VETS) is the nation’s largest provider of housing and services to homeless and at-risk veterans and their families. In Yavapai County, 34% of the homeless populations are veterans. No one who has served our country should be subjected to fighting another war here at home just for basic survival.

Prescott Meal On Wheels has been serving the Prescott community since 1973. Last year alone, Prescott Meals On Wheels served over 66,000 meals to homebound seniors who might have otherwise gone without.

We look forward to partnering with you on Master Chef Prescott III. For more information or to purchase tickets to the event, visit: www.PrescottMealsOnWheels.com.
