Prescott Meals On Wheels Begins “Hot+5” For **Home Delivered Meal Clients**

Beginning on Tuesday, March 17, 2020 Prescott Meals On Wheels will implement “Hot+5” meal delivery. To reduce contact with volunteers and protect our clients to the best of our ability, our homebound clients will receive one hot meal and five frozen meals each week for the foreseeable future. The meal delivery will be staggered to involve a different day of the week each week. By doing so we will not put the entire burden on one specific day. This week it is Tuesday, next week is Wednesday, the next week is Thursday and so on. Clients will receive a wellness telephone call each weekday from our staff.

We are making special arrangements for people who do not have the capacity to store five meals and / or do not have the capacity to heat them. We are also making special arrangements for people receiving special diet meals from YRMC. We are arranging for those people who receive frozen meals for the weekend. In other words, we are handling special situations on a case by case basis.

Home delivery clients with pets who take advantage of our AniMeals program will receive pet food on the days we deliver “Hot+5.”
