MAKE A VEHICLE DONATION

SHOP and GIVE

Prescott Meals on Wheels serves both Prescott and Prescott Valley and has been assisting some of Prescott's most vulnerable citizens since 1973 by providing three fundamental services:

- 1) *nutritious, home-delivered meal*
- 2) *wellness check*
- 3) *precious moments of companionship*

Combined, these three services contribute to the ability to live independently for as long as possible with a sense of safety and security.

Community support through sponsorship, grants and donations are important to us, as there is insufficient public funding to cover the needs of meals to homebound seniors or disabled individuals in our community. We do not turn anyone away who is in need of our program, and we are able to pay for those meals with the generous support of individuals and organizations like you.

Last year, we served more than 65,000 meals with the help of over 150 dedicated volunteers!
